

## **Lake James Association Centennial Cottage Information**

### **Purpose:**

- To give recognition to cottage owners who have preserved the historical traits of their property.
- The recognition celebrates the effort spent on preservation.
- The award places no restriction on future remodeling of the structure.

### **Criteria:**

- A substantial portion of the original structure must still remain.
- Proof of construction date 100 years ago or earlier, must be submitted with this application.
  - Any dated official document or source – deed, county records, abstract, etc.
  - For further information on your property please visit the Steuben County GIS website at [www.co.steuben.in.us](http://www.co.steuben.in.us). In many cases, a property “improvement” date is noted.

### **Date:**

- Mail applications & documentation to:
  - Flaim Cupp
  - 140 Lane 470C
  - Lake James
  - Angola, IN 46703
- Please return applications by the third Friday in June.
- All applications received after that date will be considered for next year.

### **Presentation:**

- All approved applicants will receive an official certificate and cottage photo at the LJCA Annual Meeting in July. (certificate will be mailed if absent)
- Annual meeting date is posted on the LJ website lakejames.org.
- The meeting will be held at the Lake James Christian Assembly.
- Pancake and sausage breakfast to follow.
- The Centennial Certificates will be presented at the end of the meeting, which will be no longer than an hour.
